Subject: Request for a Comment Extension
Date: Thursday, May 14, 2015 1:49:37 PM

Hi Alicia,

The NPS requests an extension to the comment deadline for the Turkey Pt. DEIS. An additional two weeks would allow us to better review the massive amount of complex information contained in the DEIS, as well as more recent information we were made aware of related to the construction and operation of Units 6 and 7. Please let me know if a formal letter request is necessary. We appreciate the NRC's consideration. Thank you.

Bryan
