COMMISSIONERS PRESENT:

KENNETH M. CARR, Chairman of the Commission

P R O C E E D I N G S

CHAIRMAN CARR: Good morning, ladies and gentlemen, this is an affirmation session. We have one item to come before us this morning. Before I ask the Secretary to lead us through the item for affirmation, do any of my fellow Commissioners have any opening comments they would like to make? If not, Mr. Secretary, you may proceed.

MR. CHILK: Mr. Chairman, in this affirmation proceeding, the Commission is being asked to act on a procedural Order setting forth schedules for the filing of pleadings with the Commission in the Seabrook proceeding.

Chairman Carr, Commissioners Roberts and Rogers have approved an Order attached to our memorandum of November the 16th indicating that the Commission has decided that it, rather than the Appeal Board, will consider all applications for a stay of the Licensing Board authorization of full-power operation for Seabrook Unit 1. Accordingly, any parties seeking a stay of the effectiveness of LBP-89-32, shall file such request with the Commission.

Although the Appeal Board, on November the 14th, 1989, set forth a schedule for the future filing on the intervenor's November 13, 1989, motion to vacate, that motion will be decided by the Commission. The Commission has adopted

the essential features of the November 14 Appeal Board schedule for responding to that motion, as well as any other application for the stay of the Licensing Board proceeding 89-32 which may hereafter be filed. Commissioner Curtiss is abstaining in this action.

Would you please affirm your votes.

(Chorus of ayes.)

CHAIRMAN CARR: Is there anything else to come before us, today?

MR. CHILK: I have nothing, sir.

CHAIRMAN CARR: If not, we stand adjourned.

(Whereupon, the above proceeding was adjourned at 11:55 o'clock, a.m.)
