United States Nuclear Regulatory Commisin

Re: Radioactive Materials License Number 19-28189-01

Dear Sirs,

Deborah S. Malott holds the position of Quality Control Manager, and Radiation Safety Officer for Craig Blacktop and Paving, Inc., and in holding these positions is accountable and reports directly to me, as the President of the firm. Should there be any problems or accidents regarding the Nuclear Gauges, he will be immediately notify me, and perform all required task as listed in our Emergency Response Plan that accompanies all gauges when not being stored at our facility.

By virtue of this letter, Craig Paving and Blacktop, Inc. authorizes our Radiation Safety Officer Deborah S. Malott to represent our firm in making this application through the United States Nuclear Regulatory Commission.

Thanks in advance for your assistance and if any further information is needed please contact me at 301-739-9814 ext. 128.

Sincerely,
Craig Blacktop and Paving, Inc. .

A handwritten signature in black ink, appearing to read "Roger T. Craig", followed by a long horizontal flourish.

Roger T. Craig,
President
