Dear Chief Bladley,

I am writing in reference to Docket ID: NRC-2009-0337 to express my opposition to the proposed expansion of Turkey Point Power Plant, located in Homestead, Florida.

Protecting the National Park System, which preserves our country's incredible array of landscapes, waters, wildlife, and opportunities for exploration should be among the highest priorities. Biscayne National Park is an irreplaceable national treasure. The expansion of Turkey Point could have unacceptable and irreversible impact on this park.

Two new reactors at Turkey Point could also have negative impacts on the quantity and quality of freshwater resources.

Thank you for considering my request.

Sincerely,

Mr. Jack Stewart
