Subject: U.S. Well Services, LLC, License Amendment

103038597

This letter is being submitted to make changes to our current license No. 47-35025-01. The requested change would be on line 17. Our current license states the following services can't be performed: installation, initial radiation surveys, relocation, removal from service, dismantling, alignment, replacement, disposal of the sealed source and non-routine maintenance. Every 6 months, the 4" iron on our TN 5192 gauges need removed and sent for inspection. We need the authority the relocate the gauge from one pipe to another.

Thank you,
