Re: NRC License 07-12153-02
Docket No. 030-01303

Dear Sir or Madam:

This is a request for an amendment to the above license to correct the address of one of our facilities which is listed incorrectly in Section 10 of the current license. The correct address of our facility at the Smyrna Health and Wellness Center is 100 **South** Main Street, Smyrna, Delaware. This error (ie omission of the word "South") was brought to our attention by Penny Lanzisera on a recent inspection visit, and she asked us to request this amendment to make sure the facility location was reflected correctly on the license.

Thank you for your consideration of this amendment.

Sincerely,

Timothy A. Manzone, MD, JD
Section Chief, Nuclear Medicine
Interim Radiation Safety Officer
