RE: NRC License #21-18586-01

Subject: Name Change

Dear Sir or Madame:

The Radiation Safety Committee wishes to amend the above referenced radioactive materials license to reflect a name change. Our facility, known as Aspirus Northstar, Inc., will undergo a re-branding including a name change. This is a **name change only**. There will be no change in ownership or control of the license. The new name will be:

Aspirus Iron River Hospital & Clinics

We hope this information is sufficient to grant our request for amendment. Please contact me at 906-265-0429 if you have any questions or need additional information.

Thank you.

Sincerely,

Sharon Dedo, BS, CNMT, RDMS
