Chief Cindy Bladley

U.S. Nuclear Regulatory Commission, Office of Administration, OWFN 12  
H8  
Washington, DC 20555

Dear Chief Bladley,

I grew up near the Turkey Point Nuclear power plant and could see it on the horizon from my neighborhood. I lived in fear of a disaster every time a hurricane approached South Florida. Please do not expand this facility - we should be creating renewable power facilities in this country- not nuclear facilities.

Thank you for your consideration.

Sincerely,

Mr. Richard Parker
