(NOTE: This will be used as the
Documents Title in ADAMS)

I returned Mr. Berkley's call as he had questions regarding our April 8, 2015, call. He reiterated that Dr. Guan was leaving and that he would be providing his training and experience. He also mentioned that he was submitting another name for a new authorized user. I told him to get me a letter ASAP as we were getting close to our deadline for action. I reminded him that the letter needed to be reviewed and signed by management before sending.

We will issue the amendment once the information is received.
