MEMORANDUM

(Regarding Effective Date for Provisions of Revised Settlement Agreement)

On June 10, 2015, the Licensing Board conducted a teleconference with hearing requestor James Chaisson and the NRC staff regarding the pending April 17, 2015 motion filed jointly by Mr. Chaisson and the staff asking that the Board approve an April 14, 2015 settlement agreement between the parties and terminate this proceeding. During that conference, the parties indicated that by the end of next week they would submit a revised settlement agreement addressing several issues identified during the conference.

In doing so, the Board requests that the parties' review the provision in paragraph 2.a. of the settlement agreement that indicates the five limited work restrictions in paragraphs 2.a.i-v are effective "for a period of three years from the date of the settlement agreement." Joint Motion to Approve Settlement Agreement and Terminate Proceeding (Apr. 17, 2015) attach. A, at 3 (Settlement Agreement Between U.S. Nuclear Regulatory Commission And James P. Chaisson (Apr. 14, 2015)). In this regard, they should consider whether the effective date will

be the April 14, 2015 date of the initial agreement or the date upon which the revised agreement is executed.
