OK, then we should assess Cimmaron fees the way we would normally.

Jeremy -

FYI...Ken reached out to Cimarron, and they have no record of a fee waiver. Thanks!

Jeff,

During the Tronox bankruptcy, NRC stopped billing the licensee for staff time devoted to the Cimarron site, and instead, charged its staff time to the Department of Justice as assistance to DOJ in the bankruptcy proceeding.

Did, Tronox or you ever receive a fee waiver, or any other written correspondence regarding the cessation of charges to the licensee, from NRC?

Please reply,

Ken
