Subject: Re: FRN requesting Extension of Comment Period (information Request)

Hi Glenn,

An extra 30 days would be great. We are looking for the extra time to give industry sufficient time to review, comment, and consolidate our comments on the draft Reg Guide. Additionally, the total of 60 days as a review and comment period would be consistent with the time planned for public comment on the other 8 MC&A reg guides coming out for review later this year.

Thanks,
Nima
