Memorandum For: Vanessa E. Quinn, Branch Chief  
Technological Hazards Division

From: Conrad S. Burnside, Chief  
Technological Services Branch  
Regional Assistance Committee Chair

Subject: FEDERAL EMERGENCY MANAGEMENT AGENCY REVIEW OF STATE OF  
FLORIDA RADIOLOGICAL EMERGENCY PREPAREDNESS PLAN REVISED NOVEMBER  
2011 DUE TO MERGER WITH DUKE.

The FEMA Region IV REP staff has reviewed the subject submittal. We found that the document submitted contained only editorial changes. Each change is noted throughout the document. No procedural changes were identified. The reasonable assurance finding is unchanged with the new revisions to the Florida Radiological Emergency Preparedness Plan.

Should you have questions, please contact Randall Hecht at 770/220-5887.

Sincerely,

Conrad S. Burnside, Chief  
Technological Hazards Branch
