DISCLAIMER

This is an unofficial transcript of a meeting of the United States Nuclear Regulatory Commission held on September 12, 1995 in the Commission's office at One White Flint North, Rockville, Maryland. The meeting was open to public attendance and observation. This transcript has not been reviewed, corrected or edited, and it may contain inaccuracies.

The transcript is intended solely for general informational purposes. As provided by 10 CFR 9.103, it is not part of the formal or informal record of decision of the matters discussed. Expressions of opinion in this transcript do not necessarily reflect final determination or beliefs. No pleading or other paper may be filed with the Commission in any proceeding as the result of, or addressed to, any statement or argument contained herein, except as the Commission may authorize.

CHAIRMAN JACKSON: Good morning, ladies and gentlemen. This is an affirmation session. We have one item to come before us this morning. Before I ask the Secretary to lead us through the item for affirmation, does my fellow Commissioner have any opening comments he would like to make?

COMMISSIONER ROGERS: No, thank you.

CHAIRMAN JACKSON: If not, Mr. Hoyle, you may proceed.

MR. HOYLE: Madame Chairman, we have one item for affirmation today. It is SECY-95-181. In this paper the Commission is being asked to approve publication of final amendments to 10 CFR Part 50, Appendix J, to adopt performance oriented and risk based approaches to containment leakage testing.

This rule is being approved today by the Chairman under delegated authority voted by the Commission as authorized by the NRC Reorganization Plan Number One of 1980. This decision has been made after consultation with Commissioner Rogers.

Chairman Jackson has stated her approval of the rule. Commissioner Rogers has also stated his agreement with this rule. In reaching this decision, the Commission

1 expects that there should be virtually no need for schedule
2 driven exemptions for licensees that choose to go to a ten
3 year test interval period. This rule will become effective
4 30 days after publication in the Federal Register.

5 May I ask you to affirm your votes on this final
6 rule?

7 COMMISSIONER ROGERS: Aye.

8 CHAIRMAN JACKSON: I do.

9 MR. HOYLE: Thank you.

10 CHAIRMAN JACKSON: Is there anything else to come
11 before us today?

12 MR. HOYLE: I have nothing further, Madame
13 Chairman.

14 CHAIRMAN JACKSON: If not, we stand adjourned.

15 [Whereupon, at 11:58 a.m., the above-entitled
16 meeting was adjourned.]
