The Enclosure to this letter contains SAFEGUARDS INFORMATION. When separated from the enclosure, this document is decontrolled.

SUBJECT: WESTINGHOUSE RESPONSES TO REQUEST FOR ADDITIONAL INFORMATION AND PHYSICAL SECURITY PLAN SUBMITTAL (TAC #L33353)

Westinghouse Electric Company LLC (Westinghouse) hereby submits responses to your Request for Additional Information (RAI) dated May 15, 2015 and a revised Physical Security Plan (PSP), Revision 45.

The responses to the six RAI's are provided below. The responses were able to be provided in a manner that is not security-related or safeguards classified. These changes have been incorporated into Revision 45 of the PSP. Additionally, Revision 45 includes enhancements to security force staffing, position title updates and a new requirement for the CAA fence, which exceeds the regulatory requirements.

RAI Responses

- RAI 1: These orders were incorporated on page 1.0.
- RAI 2: The access control method was revised on page 4.3.
- RAI 3: The tense was changed on page 5.0.
- RAI 4: Changes to page 5.1 in Sections 5.2.1.2 and 5.2.1.4 were made to provide for adequate detection.
- RAI 5: Record retention information was added to page 5.3.
- RAI 6: A reference to 10CFR73.71 was added to page 6.0.

The specific changes are identified in the revision log and with revision bars in the left hand margin of the pages within the document.

Mr. Ed Byrd, Licensing Engineer, certified that the Physical Security Plan was Safeguards Information on June 8, 2015.

Should you have any question or require additional information, please contact me at (803) 647-3338.

Sincerely,

Nancy Blair Parr, Manager Licensing
