Hi Mr. Chris I finally got a response from my contact at Tulsa Gamma Ray and he said if the re modification on the letter will state that I am allowed to be put on the Company License a Trainer that will be sufficient for any agreement state so that will allow myself and assistant to work a truck alone under my state card and would clear up any questions of the the requirements that I have to follow and it does not mean that I would be in charge of any personal other then the two people working in my truck. Thank You for your help in this matter. James Chaisson
