RE: Request for Additional Information Responses for SUA-1341 License Amendment Application

Dear Ms. Striz:

By this letter Uranium One respectfully submits responses to RAIs regarding the SUA-1341 License Amendment Application. The public meeting held April 22, 2015, identified several RAI or confirmatory responses were required to facilitate the review of the license application.

Uranium One understands the responses given in this submittal will be updated or integrated into the license application in the appropriate sections as part of the RAI process. As such, AUC has provided the necessary information and including the anticipated location in the license application for the provided responses.

Uranium One is submitting the responses on the enclosed electronic optical storage media. The response package is comprised of the following documents and files:

- Transmittal Letter;
- Responses to TR RAIs;
- Responses to ER RAIs; and
- Associated appendices

Uranium One appreciates the various reviewer's comments/recommendations and acknowledges the contribution of each to the review and improvement of this document. If you have any questions, please do not hesitate to contact me at your convenience.
