

McLaren Northern Michigan  
License No. 21-16732-01

Dan Bryden, M.S.

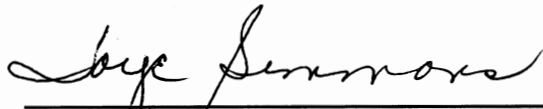

I have reviewed your request to add a Flexitron HDR unit to your license and have the following requests for additional information:

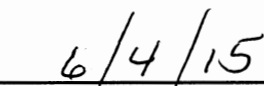

1. Please provide a copy of the ABR board certification for Dr. Boike. Include the most recent renewal of that certificate.
2. Please provide confirmation that the preceptor for Dr. Boike, Jeffrey J. Meyer, is/was an authorized user for HDR on the Texas license. Please obtain this information in writing from either the RSO listed on the Texas license or the Chairman of the Radiation Safety Committee. Include the dates of Dr. Meyer's authorization.
3. Please provide an updated (renewed) ABR certificate for Dan Bryden, M.S. and an updated (renewed) CCPM certificate for Anas Orfali, MSc.
4. Confirm that Dan Bryden, M.S. and Anas Orfali, MSc. will receive training by the vendor on the Flexitron operation and the treatment planning program before the first patient is treated.

---

Please submit your response to the above in writing with a properly signed and dated cover letter. You may **pdf** your response and email it to me or fax your response to 630-515-1078. Please reference control number 586469.
