Dear Ms. Xu:

By letter dated June 15, 2015, Herley Industries, Inc. ("Herley") and Ultra Electronics Defense Inc. ("Ultra") requested consent of the Nuclear Regulatory Commission for change of indirect control of the referenced license. The request identified Mr. Peter McGondel as the Radiation Safety Office for Herley's facility in Woburn, MA. An acknowledgment of receipt of the June 15 letter was received today with the subject mail control number. The acknowledgement identified Mark Wonson as the Radiation Safety Officer at Herley. Although Mr. Wonson has assisted with certain filings in the past, he is not the Radiation Safety Officer. We request that the file be corrected to identify Mr. McGondel as the Radiation Safety Officer and that future correspondence regarding this matter be addressed to Mr. McGondel rather than Mr. Wonson.

We appreciate your assistance with this matter. Please let me know if you have questions or need additional information.

Very truly yours,
