Dear Paul & Sandra:

On behalf of the Region 9 Tribal Caucus, I am writing to thank you for attending our Spring Regional Tribal Operations Committee meetings in San Francisco, and for your informative presentations.

Several tribal representatives have expressed an interest in engaging in a detailed review of the Proposed NRC Tribal Policy Statement and Tribal Protocol Manual that you provided to us, and perhaps submitted questions, comments and/or suggested revisions. We understand that the current deadline for comment is May 31, 2015, which is fast approaching, and hope that you will be able to grant us a 60-day extension, to July 31, 2015, to enable interested tribes in Region 9 to submit informed and meaningful input.

Thank you for your consideration. Please feel free to contact me if you have any questions or require any other information from me.

Sincerely,

Cornelius "Corn" Antone
R-9 RTOC Tribal Co-Chair
