Good Afternoon Ms. Azulay,

I just wanted to send a reminder that the petitioners opportunity to address the PRB is on Monday, June 29th. For the individuals attending in person, I would like to inform you that they will need to be escorted to the meeting room. If you can provide an estimated time of arrival for them, I will meet them in the lobby of One White Flint North after they are processed through security. The address for One White Flint North is:

11555 Rockville Pike
Rockville, MD 20852-2738

In addition, if the petitioners have supplemental material that they will be presenting while addressing the PRB, you can send me the material if you would like so that it may be added as a supplement to the petition. As per NRC Management Directive 8.11, "Review Process for 10 CFR 2.206 Petitions," the transcript of the meeting on Monday will be treated as a supplement to the petition.

Thank you,

Alex Chereskin

Alexander,

In person will be Paul Gunter and Tim Judson. The number of petitioners who will call in is estimated at 1-5.

Thanks,

Good Morning Jessica,

Would it be possible to provide me with a list of the names of the petitioners who would like to attend the PRB meeting in person at the NRC? This will allow me to help get them through security when they arrive at NRC headquarters. In addition, do you have a rough estimate of the number of petitioners that will call into this meeting? I would like to make sure there are enough bridgelines available on the teleconference. Below is the

call-in information. Also, please note, this is a recorded line as per NRC Management Directive 8.11 "Review Process for 10 CFR 2.206 Petitions."

Call In Telephone Number: (800) 772-3842

Participant Conference Security Code: 2206

If you have any questions please contact me.

Thank you,

Alex Chereskin

Alex,

I think there would just be a couple of people in person and a few people on the phone. As far as I know.

Understood. Would it be possible to give me a rough estimate of the amount of attendees in person and the amount that will attend via teleconference? I would like to make sure that the appropriate accommodations are made.

I think it is likely that some will be there in person and some will address by phone.

Alexander,

We would like to address the Petition Review Board again. I look forward to working out a date with you. Please note that one of our petitioners is still out of the country so we may need a little time to schedule it.

Hi Jessica,

I am e-mailing you to inform you that I have taken over as the Petition Manager for the subject 2.206 Petition.

Nuclear Regulatory Commission (NRC) Management Directive (MD) 8.11, which governs the 10 CFR 2.206 Petitions, requires that the Petition Manager contact the petitioner(s), every 60 days regarding the status of the Petition. Since you are the point of contact for the petitioners I am writing you to inform you of where we are in the petition process.

I understand that you received an e-mail two weeks ago from Diane Render giving the petitioners an opportunity to address the Petition Review Board (PRB) again. Have you determined whether or not the petitioners would like to address the PRB?

Please reply by next Friday, April 10, 2015, and if the petitioners would like to address the PRB once more, we can arrange a date and time to meet.
