Dear Mr. Rossignol:

This confirms receipt of your June 17, 2015, letter requesting an extension for your response to the subject Nuclear Regulatory Commission (NRC) inspection report, due to the fact that you are in the process of completing the evaluations for corrective actions associated with the Notice of Nonconformance in the subject inspection report and more time is needed to ensure that thorough evaluations are completed, and that these evaluations identify causal factors and actions to be taken to avoid further noncompliance.
