Re: Addition of Radioactive Source

Dear Sir or Madam:

In speaking to Mr. Hector Rodriguez of the US NRC concerning our recent letter requesting the addition of a source to our GL-639888-14, he informed me there was additional information needed. Below is the full information concerning the Kr-85 basis weight gauge we wish to add:

<u>Manufacturer</u>	<u>Source Model</u>	<u>Source S/N</u>	<u>Isotope</u>	<u>Quantity</u>
NDC	KAC.D3	AE-5511	Kr-85	200 mCi
	<u>Gauge Model</u>	<u>Gauge S/N</u>		
	302	6712641		

Thank you for your attention in this matter, and please let me know if I can be of any further assistance, or if you require additional information. I may be reached at (304) 725-2076, ext. 142, or via email at [mweller@oxindustries.com](mailto:mweller@oxindustries.com).

Sincerely,

Ox Paperboard LLC

Martin Weller
