Attention: Mr. Frank M. Akstulewicz
Division of New Reactor LicensingDocket No. 52-046
MKD/NW-15-0032L**Subject: Notification of the APR1400 Design Certification Project Manager Replacement**

With this letter, I would like to inform you that Dr. Myung-Ki Kim is leaving KHNP for a personal reasons and Dr. Jae-Yong Lee has been assigned to the new Project Manager of the APR1400 Design Certification project as of June 26, 2015.

Dr. Lee has been working for this project since 2010. He has over thirty-year experience in the design and operation of nuclear power plants. He is a well-qualified person who will work closely with the NRC so that the staff will be able to review the APR1400 DC application in a timely and efficient manner.

As Head of KHNP Central Research Institute, I will provide necessary support for the project team to keep the review schedule established by the NRC.

Dr. Lee can be reached at +82-42-870-5740 or at leejaeyong@khnp.co.kr. Please update APR1400 Design Certification project mailing list and contact him if you have any questions or comments.

Sincerely,

Seong Man Bae

Vice President

Head of Central Research Institute
