

UNITED STATES OF AMERICA
NUCLEAR REGULATORY COMMISSION
BEFORE THE ATOMIC SAFETY AND LICENSING BOARD

In the Matter of)
DTE Electric Company)
Docket No. 50-341-LR)
Fermi Nuclear Reactor, Unit 2)

DECLARATION OF Mr./Mrs./Ms. (please circle) KAREN Jagodzinski IN
SUPPORT OF DENYING A LICENSE EXTENSION FOR THE FERMI 2 NUCLEAR REACTOR.

I, the above-named person, am against extended Fermi's license and declare as follows:

- I fish, hunt, or gather food within the area of the Fermi 2 reactor.
- I am concerned that if the NRC approves the proposed license extension, these food sources would be further degraded which would adversely affect my health, safety, and my quality of life.
- I believe nuclear produced electricity is an outdated source, and that DTE Electric can provide electricity by sustainable sources.
- I authorize Citizens' Resistance at Fermi 2 (CRAFT) to act on my behalf to ensure the permitting proceedings and any associated rulemaking proceedings are conducted fairly, efficiently, and in a manner that provides full consideration of issues that could affect my safety, my health, and the environment we leave for future generations.

I declare that the foregoing facts are true and correct and that any expressions of opinion are based on
