Dear Administrative Judges:

Pursuant to 10 C.F.R. §§ 2.336 and 2.1203 and as modified by the Atomic Safety and Licensing Board's ("Board") Initial Scheduling Order ("ISO") dated February 27, 2015, the U.S. Nuclear Regulatory Commission ("NRC") staff ("Staff") is providing notification that no documents were identified as requiring disclosure in this update.

Pursuant to 10 C.F.R. § 2.336(c), attached is the Affidavit of Elaine Keegan, certifying that all potentially relevant materials required by this section have been disclosed, and that the disclosures are accurate and complete as to documents identified as of June 26, 2015 (Attachment 1).

The Staff notes that the dates for the publication of the Draft Supplemental Environmental Impact Statement ("DSEIS") and the Final Supplemental Environmental Impact Statement ("FSEIS") have changed. The Staff anticipates publishing the DSEIS in October 2015 and the FSEIS in June 2016. The Safety Evaluation Report ("SER") with open items and the final SER are anticipated to be published in September 2015 and February 2016, respectively.

Respectfully submitted,
