Subject: [External_Sender] RE: FW: 2015-0323 Final Response

I wanted to request the database that contains facilities listed on the Material Licensing Tracking system that possess or use radioactive materials as reported by the U.S. Nuclear Regulatory Commission. In the data I would like the address for each facility listed. I also would like to see if the data I currently get has all the data that is possible.

I have requested this listing on June 5 of this year but I was missing some columns so I was told to request again with all columns I need.

In the database the columns I am looking for are as follows:

LICENSEE
CONTACT STREET
CONTACT CITY
CONTACT STATE
CONTACT ZIP
FIRST NAME
LAST NAME
SUFFIX
CONTACT PHONE
LOCATION OF USE ADDRESS
LOCATION OF USE CITY
LOCATION OF USE STATE
LOCATION OF USE ZIP
LOCATION LATITUDE
LOCATION LONGITUDE

I would appreciate your help.

Thank you
