

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

July 9, 2015

The Honorable Donald Norcross
United States House of Representatives
Washington, DC 20515

Dear Congressman Norcross:

Thank you for passing along the information from Mr. Kanefsky about the training services his company provides.

I wanted to inform you that Mr. Kanefsky's proposal was reviewed and given fair consideration, but that the NRC is not able to incorporate the training into the agency's Human Capital Strategic Plan which includes our training plans through 2018. However, we will keep Mr. Kanefsky's company in mind for our future needs.

Sincerely,
