## Telephone Conversation Record

Date: June 15, 2015

License No. 34-35137-02

Docket No.(no hyphens): 03038721

Mail Control/Report No. 587024

Licensee Name: Consolidation Coal Company (Shoemaker Mine Preparation Plant)

Participant(s) Name/Title: Eric Barto, Environmental Coordinator

Work Telephone No. 740 338 3218

Business Cellphone No. 740 238 2201

NRC Representative Name/Title: Sattar Lodhi

Subject: Model Numbers in Item 9 of the license

The license authorized use of TN Technologies Model 5201A gauges. However, the licensee stated that the vendor was unable to provide the devices. Therefore, the licensee requested another gauge (Model LB-7400) instead. I called the licensee to verify that they do not currently possess any 5201A gauges, and if not should these models be removed from the license. The licensee confirmed that they do not possess 5201A gauges and they do not need to retain authorization for the gauges on the license.

Action Required: Delete Model 5201A from Item 9 of the amended license.
