Subject: Response to Your Question to the NRC on Disposing Radioactive Waste from a Liquid Fluoride Thorium Reactor
Date: Thursday, July 02, 2015 3:02:00 PM

Hello David,

As we discussed, please read our regulations in [10 CFR Part 61](#) and let me know if you still have any questions. You may also have to contact one of the four operating low-level waste disposal sites that I mentioned to see if they would accept the material and how much it would cost.

Best regards,
