Rich,

The hard copies of the SER supplement will be ready this week. Do you have a particular person or place to send your copies to, or do you want me to use the mailing address we use for our letters:

Vice President, Operations
Entergy Nuclear Operations, Inc.
Indian Point Energy Center
450 Broadway, GSB
P.O. Box 249
Buchanan, NY 10511-0249

Ok, sounds good. They will likely not be ready until the end of June, or early July.

Rich,

Now that we are done with the ACRS, I am going through the process of getting SER Supplement 2 published as a NUREG. Would Entergy like to have any paper copies of the NUREG and, if so, how many?

Thanks,
Mike
