Re: Draft EIS for the Construction Permit for the Proposed SHINE Medical Radioisotope Production Facility, Janesville, Wisconsin
Docket No. 50-608; NRC-2013-0053
Federal Register Number: 2015-11668
WHS No. 12-0129

Chief Bladey,

Thank you for the opportunity to review and comment on the Draft EIS received for comment and review in late May 2015. I have reviewed the specifications for the entire project on behalf of the Wisconsin State Historic Preservation Office and agree with the "no historic properties" determination presented for the proposed site in Janesville, Wisconsin, and for the two alternate sites located in Chippewa Falls and Stevens Point, Wisconsin.

Sincerely,
