Thank you Gerald and Roberto,

I will try to get the required info to you by the end of the week. We have a project in construction now that has been taking precedence over everything. I'm hoping the crews will be ok for remainder of this short week, so I can get that out for you! Just wanted you to know its on my radar!

Thanks,

Brandon Spitzer, P.E.

Your renewal has been signed. We found in our files your previous RSO training certificate from several year ago. However, still request your commitment to comply with security requirements per my earlier request.
