Geoffrey Wertz
Project Manager
Research and Test Reactors
U.S. Nuclear Regulatory Commission

The enclosed document contains Safeguards Information-Modified Handling information. This determination was made on June 24, 2014 by Jerry Newhouse, Assistant Director, TEES Nuclear Science Center. Unauthorized disclosure of Safeguards Information-Modified Handling information will be subject to civil and criminal sanctions.

When separated from Safeguards Information designated as Safeguards Information-Modified Handling enclosure(s), this document is decontrolled provided the transmittal document does not otherwise warrant protection from unauthorized disclosure.

Sincerely,

Jerry Newhouse
