Re: Notice of Merger Completion for AECOM and URS Corporation – License 37-19654-01; NRC Control No 586690

Dear Mr. Gordon:

This letter is in response to your letter dated April 29, 2015 regarding the URS Corporation's NRC Materials License Number 37-19654-01. In that letter you requested the submittal of final written documentation of completion of the merger. In response to the request for additional information, please be advised that the Merger Transaction between AECOM Technology Corporation and URS Corporation (Delaware corporation) ("URS") closed on October 17, 2014. See enclosed written documentation related to the merger, the two Certificates of Merger, for the two steps of the Merger Transaction, received and authenticated by the Delaware Secretary of State on October 17, 2014. Please note on January 5, 2015, AECOM Technology Corporation changed its name to AECOM, FEIN 61-1088522, a Delaware corporation. See enclosed written documentation related to the name change, Certificate of Amendment, received and authenticated by the Delaware Secretary of State on January 5, 2015.

As described in the previous submittal, upon its acquisition, URS Corporation merged into a specially formed holding company, AECOM Global II, LLC, which became URS Corporation's successor in obligations. URS Corporation no longer maintains a separate corporate existence.
