Subject: [External_Sender] Turkey Point Nuclear Power Plants

In reference to Docket ID: NRC-2009-0337, I oppose FPL's proposal to build two more nuclear reactors at their Turkey Point site in South Florida. I request that the Nuclear Regulatory Commission and U.S. Army Corps of Engineers support the "No Action" alternative. Quit supporting the most bailed out industry in US history, the nuclear power industry, since it's beginning. repeal Price-Anderson.
