Subject: Notification of Change in Maine Yankee Board of Directors

On March 2, 2012 (Reference 1), the Nuclear Regulatory Commission (NRC) issued a favorable Foreign Ownership, Control, or Influence (FOCI) determination for Maine Yankee Atomic Power Company (Maine Yankee). In accordance with 10 CFR 95.17(a)(1), Maine Yankee is notifying the NRC of the following changes to the Maine Yankee Board membership.

1. Effective June 24, 2015, Bob Martin, Eversource (formerly, Northeast Utilities), resigned his Board position; and
2. Effective June 24, 2015, Leanne Landry, Eversource, was appointed to the Board.

Ms. Landry is a U.S. citizen, who was appointed by Eversource, a domestic sponsor company; therefore, there is no change with respect to FOCI considerations.

This letter contains no regulatory commitments.
