July 13, 2015

Subject: Resend of Non-Proprietary Draft Closed Session Slide Package for the NRC Technical Review and Audit Meeting of the Specialized Seismic Option for the **AP1000®** Plant

Dear Mr. Burkhart:

**Please note that this letter supersedes SMR\_NRC\_000011 in its entirety.**

Correspondence HSP\_NRC\_000010 provided Drafts of the Proprietary and Non-Proprietary versions of the Closed Session Slide Package for the NRC Technical Review and Audit Meeting of the Specialized Seismic Option for the **AP1000** Plant. The proprietary disclaimer remained on the non-proprietary slides. The proprietary disclaimer has been removed and no additional changes have been made to the slide package.

Enclosed is the revised non-proprietary version of the presentation, "Specialized Seismic Option NRC Technical Review and Audit Meeting – Closed Portion".

Very Truly Yours,

*Richard G. Anderson for J.M.*  
Jill S. Monahan, Manager  
Specialized Seismic Option Licensing  
New Plants and Major Projects
