Larry –

We have received your letter dated July 7, 2015 containing revisions to 2015-2016 financial assurance update for the North Butte remote satellite to the Smith Ranch Highland facility. The estimate seeks to update the financial assurance amount to \$27,738,300. This document is currently available in ADAMS under accession number ML15194A058. The staff will consider this updated amount as it finalizes its review of the North Butte annual update.
