Subject: RAI, Name Change

Discussion: I had called Mr. Volk on May 20, 2015 about the change of control and why the name he submitted was different than what had been submitted earlier. This is usually an indication that something changed in the proposed change of control. Mr. Volk did not know and said he would get back to me. It had been about one month and so I contacted him again stating that I needed to complete this action. He then called another employee and found out that the name should be AECOM Global II, LLC and that if there were internal changes, they would submit it separately. They would submit the documentation for the completion of the change of control to me within a couple of days.

Action Required: AECOM Global II, LLC to submit the documentations that change of control had been completed.
