SUBJECT: CLOSEOUT OF GRANT NO. NRC 38-10-958

Dear Dr. Xiaodong Sun:

The Nuclear Regulatory Commission (NRC) received all required final reports necessary to close out the above referenced grant. Therefore, this grant is officially closed, subject to final audit, if applicable. Please reference 2 CFR 200.333-337 Retention and access requirements for records.

Total payments in the amount of \$199,988.08 has been accomplished. The recipient share was reported at \$16,785.40 on the final Federal Financial Report (FFR/SF425), which is \$55,689.60 short of the required \$72,475.00. NRC has waived the recipient share requirement based on the justification provided that the student graduate school waivers were granted; however, they were not recorded as cost share due to a miscommunication. All obligations have been met and the final invoice has been paid. This grant expired 8/31/2014.

NRC is pleased to have participated with your organization on this project, and look forward to future collaborations.

Please feel free to contact Sunshine Wilson at 301-415-6411 or by email at Sunshine.Wilson@nrc.gov.

Sincerely,

M'Lita Carr
