**SUBJECT: LICENSE RENEWAL (License Number 25-17563-01)  
REQUEST FOR ADDITIONAL INFORMATION – Mail Control Number 586598**

Mr. Torres:

As requested, we would like to provide the following commitment for our Materials License renewal, specifically:

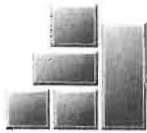

We will implement and maintain the operating, emergency and security procedures described in the errata sheet to Appendix H of NUREG-1556, Volume 1, revision 1, dated November 2001, and provide copies of these procedures to all gauge users and at each job site.

Thank you for your attention in this matter.

Sincerely,

  
Steve H. Malmberg  
Radiation Safety Officer

Mr. Malmberg:

Attached is electronic copy of NRC letter being mailed to you today requesting additional information in support of license renewal. The renewal application checklist that your company used is in the process of being updated and thus has an outdated commitment regarding "Operating and Emergency Procedures". The updated commitment is described in the letter to include "Operating, Emergency and Security procedures". You can provide your response letter by reply email as a pdf file.

Thank you.
