Subject: **amendment request dated May 12, 2015**

Discussion: **We discussed the issue related to training and supervision. In addition to the letter dated 6/18/14 referenced in his amendment, the letters dated 8/3/11, 8/28/12 and 11/6/12 listed in License Condition 12.B. Mr. Hinton agreed that his request to change the supervision required did not take into consideration the current training commitments, and decided that he will not pursue this amendment at this time. He wants to review the training requirements and will re-submit his request at a future date.**

Action Required: **Issue void letter for action**
