Docket No. 50-269

FEB 10 1972

Mr. Reese A. Hubbard  
County Supervisor of Oconee County  
Walhalla, South Carolina 29261

Dear Mr. Hubbard:

The Atomic Energy Commission has sent to the Office of the Federal Register for filing and publication a Supplementary Notice of Proposed Issuance of Facility Operating License concerning the Duke Power Company's Oconee Nuclear Station Unit 1. The notice provides the opportunity for intervention on environmental aspects of the operation of the Oconee Nuclear Station Unit 1 facility as required by Appendix B of 10 CFR Part 50 of the AEC's regulations.

A copy of the notice is enclosed for your information.

Sincerely,

Original Signed by  
Albert Schwencer

A. Schwencer, Chief  
Pressurized Water Reactors Branch No. 4  
Division of Reactor Licensing

Enclosure:  
Notice to Federal Register
