SUBJECT Retirement of License No. 06-23863-02E; Breitling Exempt Distribution License			
SUMMARY I explained to Mr. Simmons that we have retired License No. 06-23863-02E. This license expired on March 31, 2008. I explained that when exempt distribution licenses expire, the NRC retires them and they effectively no longer exist. We had recently opened a termination action for Breitling and I explained that this action has been closed and that no further information is required with regard to Breitling's exempt distribution license. I explained to Mr. Simmons that he should contact the Fees Help Desk regarding stopping annual payment of fees and that Breitling may be able to be refunded for fees that were paid after the license was expired.
