Dear Mr. Gallagher:

With reference to the phone conversation with Erik Lyons today (24 June 2015), we offer the following response:

We have already received a license amendment and are currently utilizing the area of use you inquired about at 201 N. Mountain Road, Plainville. Presently, we are approved for 35.100 and 35.200 in that area. You have already received the floor plans for that area as well as the spaces above, below and adjacent to for a previously approved amendment request. We would like to offer Ra-233 Xofigo and I am requesting that modifications to the license be made allowing for such usage. This facility is an outpatient center and we will not be housing patients there after they have received therapy. We confirm that we will only treat patients that are releasable in accordance with 10 CFR 35.75.

If you have any further questions regarding this matter please contact Erik Lyons at 860-224-5900 ext. 4749 or Erik.Lyons@hhchealth.org.

Sincerely yours,

Maryanne Volkringer
