In the Matter of
CROW BUTTE RESOURCES, INC.
(License Renewal for the In Situ Leach Facility, Crawford, Nebraska)
Docket No. 40-8943; ASLBP No. 08-867-02-OLA-BD01

Dear Administrative Judges and Parties:

As discussed in the teleconference held on July 27, 2015, the NRC Staff is filing simultaneously with this letter revised initial testimony (Exhibit NRC-001-R), revised rebuttal testimony (Exhibit NRC-076-R2), and revised affidavits for Nathan Goodman and Paul Nickens (Exhibits NRC-001C-R, NRC-001E-R, and NRC-076-R2 at pages 83 and 85), in order to remove references to a witness who will be unable to attend the hearing. The only substantive edits to the Staff's initial and rebuttal testimony are the removal of the witness's introductory statements describing her position, employer, and role in the review of Crow Butte Resources' license renewal application, as well the statement that she was testifying on Contention 1. A revised exhibit list is also being filed, noting the removal of the witness's affidavit (Exhibit NRC-001F) and Statement of Professional Qualifications (Exhibit NRC-007).

Respectfully submitted,

Signed (electronically) by
David M. Cylkowski
Counsel for the NRC Staff
U.S. Nuclear Regulatory Commission
