Notice of Receipt and Availability of Application for a Combined License

**Comment On:** NRC-2009-0337-0020

Combined License Application for Turkey Point Nuclear Plant, Unit Nos. 6 and 7; Draft Environmental Impact Statement

**Document:** NRC-2009-0337-DRAFT-0158

Comment on FR Doc # 2015-05099

## Submitter Information

**Name:** Daniela Punnett

## General Comment

Please do not approve this project, there are way too many health and environmental risks involved. Nuclear power is not the way towards a sustainable future. I am leaving Miami if this project goes through, in order to protect my family and two children. It is outrageous that this is even being considered.
