Ron:

Page 2 of 8 was not included due to the fact that the sample had been compromised during the sampling process. Page 3 of 10 would have been a copy of this same sample. Page 4 of 10 was omitted because it is a copy of Page 3 of 8 and Page 7 of 10 was omitted because it is a copy of Page 6 of 8. The short answer is yes, they were intentionally omitted.

Good morning, Larry.

Please see comment from our document processing center below.

This refers to two attachments in Appendix A:

- Page 2 of 8
- Pages 3,4, and 7 of 10

Were these pages intentionally left out or should they be included?

Thank you.

Ron
