August 5, 2015

LI Bing  
Radiation Safety Center  
Ministry of Environmental Protection of P.R. China  
54 Hongliannancun  
Haidian District, Beijing 100082

Dear Ms. LI:

It is my sincere pleasure to invite you to present on the topic of 'Application of MACCS to Emergency Planning Zones' at the 2015 International MACCS User Group (IMUG) meeting. The IMUG meeting will be held on September 21-22, 2015, at the Three White Flint North (3WFN) building located at 11601 Landsdown Street, North Bethesda, MD 20852.

This 2-day Annual meeting is sponsored by the Office of Nuclear Regulatory Research. The IMUG meeting brings together people representing interested parties from government, industry, international agencies, and other interested stakeholders. Your presentation and the presentations of other presenters will help engage dialogue and stimulate questions and comments from participants.

Amy Sharp will be the coordinator for this meeting, and can be reached at 301-415-0960 or amy.Sharp@nrc.gov.

We hope you are able to accept this invitation, and if you can participate, please confirm your attendance and the topic you will be presenting to Amy Sharp by August 22, 2015 so that we can finalize the agenda. Also, please provide a copy of your draft slides to Amy Sharp two weeks prior to the meeting.

We look forward to seeing you at the IMUG meeting.

Sincerely,

**/RA/**
